ESK Secondary School Activity Day 2011

Dear Parents,

I am writing to inform you that on Wednesday 19th October we will be holding our 3rd annual team-building and activity day at ESK. The students will be working together in teams of mixed age groups and competing against teams in other houses.

The activities are designed to incorporate team spirit and encourage communal thought, planning and action. School uniform should not be worn on this day. We strongly advise students:-

- To sleep well the night before
- To have a good breakfast on Wednesday morning
- To bring a bottle of water
- To wear sports clothes with a T-shirt in the colour of their house
- To wear sports shoes for safety

Last year the students found this to be very educational, and we did notice that it encouraged students of different age groups to interact and cooperate better for the rest of the school year. We do consider this an important and integral part of the school year.

If students are sick on this day we would expect them to bring a medical certificate on their return to school.

The teachers at ESK are really looking forward to our team-building and activity day on 19th October.

Sincerely,

Brian Smith

Secondary Head teacher
