Dear Parents,

Re: Year 12 Achievement Prize beginning September 2012

This year is set to be a challenging and exciting period for our Year 11 students as they prepare to undertake their IGCSE examinations this summer. We hope that all of our students will work hard to achieve their potential in these examinations. Many of you will be aware that when we held our first round of examinations last summer for a few students in Year 10, one student achieved a Cambridge 'Top In Cyprus' award for her Art and Design IGCSE. We hope to build upon this very positive start by offering a new internal prize.

We are pleased to announce that any ESK student who achieves a 'Top In Cyprus' award at IGCSE this summer will be entitled to a £1000 reduction on ESK Year 12 school fees. Eligible students must currently be in Year 11 and registered for Year 12 before sitting their IGCSEs.

Kind regards,

Brian Smith
