## Secondary School Swimming

Dear Parents,

All secondary boys will be doing swimming in their PE lesson when we return after the February break.

Secondary girls will begin swimming at a later date. We will inform them of the exact date that they will start swimming lessons closer to the time.

It is essential that all students wear a swimming cap as the pool is a low-chlorine pool.

For swimming, students will need the following (please ensure that all items are clearly named):

### Girls:

- Plain black or dark navy one piece swimming costume – please ensure that this is conservative in style as sold in sports shops for example and suitable for school rather than the beach
- 1 towel
- Waterproof draw string bag
- Swimming hat
- Optional Rash top or swim top (Please note that T-shirts are not allowed under any circumstances)
- Goggles
- Flip-flops

### Boys:

- Plain black or dark navy swimming trunks, well above the knee in length
- 1 towel
- Waterproof draw string bag
- Swimming hat
- Optional Rash top or swim top (Please note that T-shirts are not allowed under any circumstances)
- Goggles
- Flip-flops

Yours sincerely,

Brian Smith  
Head of Secondary School
