IB Information meeting

Dear Parents,

I am writing to inform you of a meeting for Secondary Parents to be held at ESK this week. The meeting is primarily for parents of students in years 10 and 11, but any parents of students at ESK are welcome to attend. The meeting will take place on Thursday 16th February in the ESK hall and will commence at 16:00 (as outlined in the spring/summer dates letter circulated in January).

In the meeting I hope to outline our plans for introducing the IB diploma programme at ESK, and discuss staffing issues and changes to staffing structure for 2012-13

I will introduce Sue Williamson who will be our head of the Humanities department in 2012-13, Sue will also be the university progressions advisor. Sue will explain her role and give a short presentation explaining how she will assist ESK students in their applications to university via the IB route.

We will be available to answer your IB related questions after the meeting.

I sincerely hope that as many parents and students as possible will be able to attend the meeting.

Brian Smith
